- Having performed the best dance ever, they were sure to win the dance contest.
- Looking into each other's eyes, they fell in love.
- Having started the competition, the dancers went into really dramatic moves, turning round and round, leaving sparks on the floor.
- Feeling exhausted, they decided to raise their arms to get some air.
- Having just met, they decided to dance together.
- Looking at each other with passion, they totally forgot about the people around them.
- Both having chosen a new deodorant, the dancers punched the air in delight at its effectiveness.

- Trying to hold her firmly, he thought "Oh, my back!"
- Teaching her to dance, they fell in love with each other.
- Being held over his head, she felt like a bird ...or something...
- Having decided to help him, she tried to learn a new move.
- Having noticed that she had some problems dancing, he decided to try some new methods.
- Standing in the river, I noticed a golden fish.

- Discovering that the lives of innocent citizens were in danger, he decided to rescue them.

- Thinking of himself in a very narcissistic way, he decided to pop the question.
- Having trained very hard, he finally decides he's ready for the things awaiting him.
- Thinking about his dog Perelka, he felt he could win for him.
- Having had himself tattooed, he thinks he's trendy.
- Not having eaten fast food for 6 months, he admired his six-pack.

- Being in a forbidden love, they wanted to feel free.

- Seeing the endless and bottomless ocean, he was tempted to push her overboard.
- Standing on the deck, they felt the wind in the faces.
- Not being very rich, he tries to impress her with his crazy ideas.
- Delighted with the view, he couldn't resist hugging her and showing that he cares.

- Wanting to spend time together, they chose to watch a film
- Having had a bad day, they decided to relax in front of a movie.
- Spending another boring evening in front of the screen, they realised it all sucks!
- Having resolved to put on weight, they decided to eat junk food.
- Watching the film with someone eating ice cream, I felt a strong need to do the same.
- A family man surrounded by two beloved women enjoys the film.
- Sitting on the sofa, they're spending a nice time together.
- Exhausted after having fought over the blanket for two hours, they gazed blankly at the news.

- Having decided to start training, he kept carrying his master.
- Having discovered that somebody is sitting on his back, he decided to ask him if he could scratch his back.
- Not having enough energy, Yoda jumped onto Luke Skywalker's back, and Luke, being a well-mannered boy, didn't get rid of him.
- Luke not knowing the direction, Yoda whispered to him which way to go. Weariness did not stop them from completing their mission.
- Not being fond of this type of movie, we're not gonna see it, although it's so popular.
- Listening intently to the sounds of nature, they became friends for ever.
- Having received a Yoda-shaped rucksack from his grandma, he felt obliged to carry it all the time, despite it making him the laughing stock of the universe.
